The greatest female character James Patterson has ever created must vanish—or die.

22 year-old Jeanine Fournier has looks to die for, a handsome police-officer husband, and a carefree life in Key West. When she learns that she's pregnant with their first child, her happiness feels almost overwhelming.

Jeanine's whole life is shattered when she unearths a terrible secret that causes her to run for her life and change her identity. Now, years later, an even greater horror leads her to risk everything she's earned—a secure life in New York City, a prosperous career as a lawyer, even the daughter she loves—to return to Florida and confront the murderous evil she fled. In a story of wrenching suspense, James Patterson gives us his most head-spinning, action filled story yet—a Hitchcock-like blend of unquenchable drama and pleasure.
