## ONE SUMMER

DAVID BALDACCI

It's almost Christmas, and while most families were busy with preparations for the holiday season, there was no such joy in Jack's home. He suffered from an incurable condition, and only had a short time left to live. With his wife, Lizzie, constantly at his side, he spent his last days preparing to say goodbye to her, and their three children, before the end.

Until an unthinkable tragedy strikes the family: Lizzie is killed in a car accident, and with no one able to care for them, the children are separated from each other, sent to live with family members around the country.

**DAVID BALDACCI** lives with his family in Virginia. He and his wife have founded the Wish You Well Foundation, a nonprofit organization dedicated to supporting literacy efforts across America. He invites you to visit him at [www.david-baldacci.com](http://www.david-baldacci.com) and his foundation at [www.wishyouwellfoundation.org](http://www.wishyouwellfoundation.org).

Then, something unexpected and miraculous happens: Jack begins to recover. He rises from what should have been his deathbed, compelled by one thought...to bring his fractured family back together. Struggling to rebuild their lives after Lizzie's death, Jack brings them all to a run-down house on the oceanfront in South Carolina, a house that was Lizzie's home when she was a young girl. And there, over one unforgettable summer, Jack will begin to learn to love again, and he and his children will learn how to become a family once more.
