## SPONTANEOUS HAPPINESS ANDREW WEIL

Informed by 40 years of research **SPONTANEOUS HAPPINESS** is Dr. Andrew Weil's paradigm-shifting guide to peak emotional wellness. In **SPONTANEOUS HAPPINESS**, he redefines the notion of happiness and demonstrates the limitations of the biochemical model of mental health.

Weil presents a vast, scientifically proven array of integrative treatment strategies for low mood and depression, drawing on techniques from Ayurveda, Buddhism, acupuncture, psychotherapy, mindfulness training, and much more. Dr. Weil offers advice on lifestyle, behavior, and dietary changes, and helps readers assess their own emotional wellness and build personalized step-by-step plans to manage their moods. Whether suffering from mild to moderate depression, or simply seeking greater contentment, Dr. Weil's science-based integrative approach will help readers achieve their goals.

Dr. Weil's 15 books, all *New York Times* bestsellers, have together sold more than 10 million copies. He is constantly out on the lecture circuit and appears regularly on the national media.
