## ROBERT LUDLUM'S (TM) THE JANSON COMMAND PAUL GARRISON

The first book in an exciting new series featuring Paul Janson, the hero of Robert Ludlum's *New York Times* bestseller *The Janson Directive*.

Reformed from his days of assassination and international conspiracy, Paul Janson has a new mission and a new partner. Working with sharpshooter Jessica Kincaid, he helps other disenfranchised covert-operatives to be rehabilitated and create new lives.

Janson takes a job to rescue a doctor who has been kidnapped by West African rebels during an ambush of an American oil service boat. At first, it appears the doctor's life was spared in order to treat the rebels' wounded leader, but when the mission goes haywire, Janson realizes he's in the middle of something much bigger. The puppet dictator has anonymous backers with designs on the oil reserves of a struggling nation—and Janson may find he's been fighting for the wrong side the whole time.
