THE POSTCARD KILLERS

JAMES PATTERSON, LIZA
MARKLUND

"Patterson boils a scene down to the single, telling detail, the element that defines a character or moves the plot along. It's what fires off the movie projector in the reader's mind." —Michael Connelly

In THE POSTCARD KILLERS, James Patterson teams up with #1 European bestseller Liza Marklund to create the scariest vacation thriller ever. NYPD detective Jack Kanon is on the hunt for a serial killer who has killed young couples in Paris, Copenhagen, Frankfurt, and Stockholm—including his daughter and her boyfriend. To solve the mystery Kanon teams up with Swedish reporter Gabby Larsen.

For every killing—a postcard to the local newspaper—Kanon and Larsen think they know where the next victims will be, but can they stop the Postcard Killers before they strike again. With relentless logic and unstoppable action, THE POSTCARD KILLERS may be James Patterson's most vivid and compelling thriller yet.
