## THE STORY OF BEAUTIFUL GIRL

RACHEL SIMON

"I dare you to read the first twenty pages and not keep going." —John Grogan, *NY Times* bestselling author of *Marley & Me*

THE STORY OF BEAUTIFUL GIRL gets right under the skin and into the heart with the story of Linnie, a young white woman with a developmental disability that hinders her ability to speak, and Homan, an African American deaf man with only his home sign language to guide him. Both were institutionalized in the mid-twentieth century, when people with disabilities were routinely shut off from society and left to languish without attention, forgotten.

One night, Linnie and her sweetheart, Homan, escape. They find refuge in the farmhouse of the widow Martha, a retired schoolteacher. But the couple is not alone; Linnie has just borne a child. The authorities catch up to them; Homan escapes into the darkness and Linnie is caught. But just before she is gruffly taken back to The School for the Incurable and Feeble-minded, she utters two words to Martha: 'Hide her.' And so begins the tale of three lives desperate to connect, yet kept apart by seemingly insurmountable obstacles.

"Eye-opening."—*Booklist*

"Pointedly uplifting."—*Kirkus Reviews*

**RACHEL SIMON** is an award-winning author and nationally known public speaker. She is best known for her critically acclaimed, bestselling memoir *Riding The Bus with My Sister*.
