RAVI ZACHARIAS is the author of *Jesus Among Other Gods*, which sold more than 160,000 copies. He hosts a weekly radio program "Let My People" Think that is broadcast on 1,692 stations worldwide.

Zacharias International Ministries has offices in Hong Kong, India, Singapore, the United Kingdom, and United Arab Emirates.

WHY JESUS?

RAVI ZACHARIAS

Rediscovering his truth in an age of mass marketed spirituality.

"Ravi Zacharias gives a powerful defense of how Jesus Christ brings meaning and hope to an individual life."—Billy Graham

For a true understanding of who Jesus was, there is only one source to go to: The Bible. Bestselling author Ravi Zacharias investigates recent attempts to reinvent and reinterpret Jesus Christ through the lens of popular culture.

None of these interpretations—which have been influenced by New Age philosophers like Deepak Chopra, to popular novelists like Dan Brown, to media personalities like Oprah Winfrey, pays heed to the biblical account of Jesus' life.

In *WHY JESUS?*, Zacharias analyzes the "spiritual" movements of the past 40 years, debunking their claims and returning the reader to the biblical definition of Jesus' person, work and teaching. Focusing Christianity's centrally important tenet—the bodily resurrection of Jesus Christ. Zacharias makes a passionate, imaginative, and convincing case that the biblical Jesus is the true Jesus.
