“Resist the urge to turn the page to find out what happens next. Linger, instead, to savor the skillfully crafted writing.” —Judy Reeves, author of *The Writer’s Book of Days*

From the acclaimed author of *Blood Orange* comes this unforgettable, mesmerizing tale of the power of friendships—and the secrets that can destroy them...

It has been over thirty years since the words “Bluegang Creek” passed their lips. Because something that happened near that shady stream has shaped their lives—and haunted their darkest hours. Now, Liz can no longer bear the silence. What she is about to bring out into the light will test the very limits of friendship—and take all three women back to that fateful summer day when their innocence was shattered forever...

A novel of friendship and forgiveness, *Wildwood* brings to life the lengths to which women will go to protect themselves—and each other—in the name of loyalty...and in the name of love.
