ZERO DAY DAVID BALDACCI

#1 *NYT* Bestselling author David Baldacci returns with his next blockbuster thriller series featuring a reclusive military investigator with a secret second life.

John Puller is a military investigator in the US Army. He is a loner with few possessions, but by preference, because Puller leads a secret second life. He is also a government asset, assigned to assassinate certain enemy targets-and he is one of the best in the business.

Puller has been sent on a mission to kill an embedded cell operative and his family. He travels to their home and executes the man, but he saves their baby. As he is leaving the scene he hears shots in some nearby woods and finds another family; man, woman, and child, all dead.

Puller's military superiors, unaware of his connection to the murders, assign him to investigate the killings in the woods. Now Puller must try and uncover the truth behind the murdered trio, while trying to mask his own involvement and protect the higher levels of government he works for.
